STOP WHAT YOU ARE DOING…..NOVEMBER 15th 6 PM

SPECIAL NOTE: CALLING ALL AMERICAN PATRIOTS, COLLEGE STUDENTS, AMERICAN CLASSROOMS: PROGRAM ONLY: $5.00

You won't have to "fact check" these stories. Stay tuned for a book or a movie.

Lend an ear to hear one of the most important pieces of information right from the people who experienced it. ANITA MONCRIEF, the whistle blower for ACORN'S "Project Vote" and BRANDON DARBY, former member of the Black Panthers, who became an FBI informant to help quell some potential bombings in 2008, will tell their experiences at Bear Lakes Country Club at 1901 Village Boulevard, West Palm Beach.

Political party doesn't matter. We encourage all Americans, no matter your party, to join us. The year 2012 is too important not to know the facts right from the source.   Your being there matters.

MONIQUE MCCALL, direct from Nashville, will kick off the program. Her personally written rendition of "Made in America" will give you goose bumps.
